REMARKS

- 25X1 1. The B UCSU (P 48/C 69) border guard detachment was transferred to the Yugoslav border in October 1949.
2. The detachment was replaced by an AVO (State Security Department) section, whose personnel guarded the border check points for limiting border traffic to short stays and occupied watch towers. Patrol duty was done by personnel from the two nearby border guard detachments in BOSZEK (P 48/C 69) and KISNARDA (P 48/C 58).

25X1 Comment:

The report confirms the previously reported transfer of Hungarian border guard units and detachments from the Hungarian border to the Yugoslav border. *
